

Information on Team Nila Friendship Band Appreciation Initiative

In partnership with environmental social enterprise [Terra Singapore](#), the Team Nila Friendship Band appreciation initiative celebrates volunteers by gifting them upcycled friendship bands to unify volunteers across Singapore in a sustainable manner and celebrate the local sport volunteering community.

Team Nila T-shirt Collection

SportSG and Terra Singapore will be setting up two collection points for volunteers to drop off their pre-loved Team Nila volunteer t-shirts between **23 December 2024** and **10 February 2025**. These will then be processed into strips by Terra Singapore, before being used to make the friendship bands.

The collection points, located at Terra Singapore's office at **30A Yishun Central** and SportSG's office at the **Singapore Sports Hub (3 Stadium Drive)**, will also be taking in plain white t-shirts, which will be used to add a light colour contrast to the predominantly purple, orange and yellow bands.

The collection points will be open at the following timings:

- Terra Singapore: Monday to Friday, 10am to 6pm (excluding public holidays)
- SportSG: Monday to Friday, 10am to 6pm (excluding public holidays)

Friendship Band Making Sessions

Members of the public who are interested in making these friendship bands can participate in upcoming public sessions, which will be held at ActiveSG Sport Centres between January and February 2025.

More information will be available on [Team Nila's](#) and [ActiveSG's](#) websites and social channels (@activesgcircle and @teamnila) in the coming weeks.
